

Redwood Empire Endurance Riders - ADULT Entry - Sept. 12 & 13, 2026

(Updated 5-21-26)

INFORMATION PAGE 1

Redwood Empire Endurance Riders invite you to join us at this year's **Cuneo Creek Endurance Ride**. Ride camp and all trails are part of the California Park system in the beautiful Humboldt Redwoods State Park!

Truck & Trailer Restrictions: No combination of truck and trailer over 50' will be allowed. Space is very limited for big rigs. **Measure your rig**, if 51' or longer, please contact the ride manager. There will be a parking docent to help all rigs find their camping location.

Rider Limit: This ride is limited to 90 riders, combined for all distances. Entry requests are filled on first-come, first-served basis. Historically, the ride has filled to its limit, plan accordingly and enter early.

THE TRAIL: Cuneo Creek is a two-day ride. There will be a 50-miler and Limited Distance each day. This is a moderately difficult ride; the trail and weather can be challenging and require good fitness from the equine and rider team. There is varied elevation and technical footing as well as the probability for both heat and humidity. The trails are mostly shaded with plenty of natural water crossings, water troughs and bridges. They are mostly gentle curving single-track trails through old growth redwood, madrone, fir and tan oak forests as well as grasslands. There are access roads and some maintenance dirt roads. Wildlife is abundant; wild turkeys, deer, bears, bees, coyotes and mountain lions.

RIDE CAMP: Located at Humboldt Redwood State Park's Cuneo Creek Horse Camp. The camp has showers, tables, horse corrals (available first-come, first-serve) and pit and flush toilets. Corrals are \$25 per night per horse and payment will be collected at ride camp. Ride Camp opens Friday at noon and closes at noon on Monday. All campsites have been reserved by REER, this includes ALL spaces to the left and right. If you come before Friday, or stay Monday night, you must pay the per night \$35 state park fee, located as you drive into camp.

DIRECTIONS: The camp is approximately 7.3 miles west of Hwy 101 on the road to Honeydew, just north of Weott. Southbound from Eureka, take exit 663 (Rockefeller Forest/Honeydew) at the stop sign turn right on the Mattole Road/Bull Creek Road and proceed west. Northbound from Garberville, take exit 663, left turn at the stop sign and an almost immediate second left turn under the freeway to Mattole Road. Go west through the State Park following Ride Camp signs and ribbons to the Cuneo Creek Horse Camp, just past a small cemetery on the right side of the road. **DRIVE SLOWLY WITH LIGHTS ON & HONK ON BLIND TURNS.** The narrow road is barely two-way weaving through old growth redwoods. Large rigs need to drive very carefully, redwoods win!

Ride Camp Address: Humboldt Redwoods State Park, Cuneo Creek Horse Camp, Mattole Road, Weott, CA 95571.

RIDE RULES: The Cuneo Creek Endurance Ride will comply with all AERC, REER and State Park rules and regulations. All equines must have some type of hoof protection to enter the rides. Dogs are allowed in camp but must be on a 6' leash and comply with all State Park regulations or be subject to ticketing and fines. **PLEASE DO NOT BRING EXTRA VEHICLES OR HORSES.** No smoking in camp or on the trails. Dogs are not allowed on the trail. Manure & hay must be raked and placed in the manure bunkers. There are wheelbarrows to help make your campsite spotless prior to leaving.

Due to limited water service, please DO NOT hose your horse at camp. We encourage you to fill your water tanks before you leave home. Thank you for your cooperation in helping us conserve water use.

Paramount to REER Rides is demonstrating good horsemanship, good sportsmanship and respect for volunteers, other riders, vets and ride management. Our focus is always on family, friends, fun and fairness to the horse.

FOOD: There will be an optional potluck Friday night before the ride meeting. Bring a casserole, salad, dessert plate, or similar addition to share. Included in your entry is a Saturday and/or Sunday night dinner. Extra meals are \$20 each and can be purchased on your entry form or at check-in. All registered volunteers eat for free. We always can use an extra hand so please register at check-in. NOTE - if you ride Sunday only and want to eat Saturday night dinner you will need to purchase the meal for yourself and others in your party.

REDWOOD EMPIRE ENDURANCE RIDER'S RELEASE OF LIABILITY

As listed above, I agree to the Code of Contact to be kind, courteous, and compassionate to all I come in contact with at all times.

Initial _____

REER & AERC RIDER RELEASE of LIABILITY:

I wish to participate in the Redwood Ride, which is sponsored by the Redwood Empire Endurance Riders (REER). I have read the rules, conditions, policies, and regulations of the ride and agree to comply with them. I am aware that an endurance ride covers difficult terrain on trails where the footing for horses may be unsure. I further acknowledge that competitive or "endurance" riding is over considerable distances and contains inherent risks of injury and damage to me personally, to my horse, and my equipment. Knowing these facts I none-the-less, in consideration of your accepting this entry, do hereby for myself, heirs, executors and administrators, waive and release the above named Ride, AERC, REER, and all other persons, organizations, regardless of their capacity in any way connected with named Ride or their representatives, heirs, executors and assigns from any and all right, claim or liability for damages, or for any and all injuries that may be sustained by me including injuries to animals, or from any kind or nature that I might have. Furthermore, I do hereby acknowledge that said release extends to any accidents, damages, or claims arising out of my entry caused by my own act or by the acts of anyone or any animal under my supervision.

Initial _____

Redwood Ride's UNKNOWN DANGERS RELEASE OF LIABILITY:

As a participant in a REER ride, I agree to abide by the rules of AERC and the aforementioned ride. I understand that riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities; that these areas have many natural and man-made hazards which ride management cannot anticipate, identify, modify or eliminate; that horses can be excitable, difficult to control, unpredictable; and that accidents can happen to anyone at anytime. I agree to take full responsibility for myself, and the animal I am riding. I will hold AERC, ride management, all ride personnel, REER, and all property owners whose land the ride passes, blameless for any accident, injury or loss that might occur due to my participation in the ride and free from all liability for such injury or loss.
