

Redwood Empire Endurance Riders - ADULT Entry - August 8 & 9, 2026

(Updated 5-7-26)

INFORMATION PAGE 1

Come enjoy the beautiful Redwood National & State Parks! Completed entry and payment must be received to hold a spot! Redwood Empire Endurance Riders invite you to join them at this year's Redwood Ride in Orick, California. Ride camp is at the fairgrounds, 45-minutes north of Eureka on scenic Highway 101.

RIDER LIMIT: This ride is limited to 80 riders, combined for all distances. Entry requests will be filled on a first-come, first-served basis. Historically, this ride has filled to its limit. Please plan accordingly and submit your ride application early.

TRAIL: There will be a 50-mile Endurance ride and a 35-mile Limited Distance ride.

START TIMES: 6:00 AM for the 50-mile and 8:00 AM for the 35-mile.

Redwood Ride is a bucket list ride! It's special due to the trails in the spectacular Redwood National Park and awesome old-growth redwood forest. Ride beneath enormous Redwood stands and peaceful alder groves. You may even spot a few late-blooming Rhododendrons above you, or some Tiger Lilies, Violets, or Monkey Flowers on the forest floor. The park is home to an abundance of wildlife. The most frequent sightings are elk, bears, grouse, bees, banana slugs, frogs, and osprey.

The trail is made up of soft single-track, old logging roads, and maintained service roads. The weather is usually foggy and cool in the mornings with sunny afternoons. Conditions within the forest for the horse and rider teams are not usually hot; however, they can be quite humid. This ride is a moderate-to-difficult rated ride. The footing can be very technical, with undulating topography and tree roots, and the high humidity requires a fit horse and rider team. This is NOT a good trail to race! Please ride carefully and responsibly.

Respect for volunteers (this includes ride management), good sportsmanship and horsemanship, are paramount for REER. The focus is always on friends, fun, and fairness to the horse. The ride will climb from sea level in camp to around 1,200 feet, with a total elevation gain during the ride – due to many changes in elevation – is approximately 7,000 ft. The vet checks will be away from camp.

- **NOTE:** For those riding Sunday only, you'll need to bring your vet card to vet your horse on Saturday afternoon. Please have patience as the vets will be busy with Saturday's riders and will vet you as they can.
- **NOTE:** If you're riding two days on the same horse, your Day 1 completion vet check will also serve as your Day 2 vet-in. **You must bring your Day 2 vet card with you at your post-ride completion exam.**
- **ENTRY FORM NOTES:** Limited Distance and 50-mile riders must show proof of current AERC membership or **pay a \$20 non-member fee**. Checks are cashed one week before the ride. There is a \$5 discount for current REER members. REER offers a \$30 Ride Manager discount using the Adult PDF paper entry form. Contact the ride manager if you have any questions.

REDWOOD EMPIRE ENDURANCE RIDER'S RELEASE OF LIABILITY

As listed above, I agree to the Code of Contact to be kind, courteous, and compassionate to all I come in contact with at all times.

Initial _____

REER & AERC RIDER RELEASE of LIABILITY:

I wish to participate in the Redwood Ride, which is sponsored by the Redwood Empire Endurance Riders (REER). I have read the rules, conditions, policies, and regulations of the ride and agree to comply with them. I am aware that an endurance ride covers difficult terrain on trails where the footing for horses may be unsure. I further acknowledge that competitive or "endurance" riding is over considerable distances and contains inherent risks of injury and damage to me personally, to my horse, and my equipment. Knowing these facts I none-the-less, in consideration of your accepting this entry, do hereby for myself, heirs, executors and administrators, waive and release the above named Ride, AERC, REER, and all other persons, organizations, regardless of their capacity in any way connected with named Ride or their representatives, heirs, executors and assigns from any and all right, claim or liability for damages, or for any and all injuries that may be sustained by me including injuries to animals, or from any kind or nature that I might have. Furthermore, I do hereby acknowledge that said release extends to any accidents, damages, or claims arising out of my entry caused by my own act or by the acts of anyone or any animal under my supervision.

Initial _____

Redwood Ride's UNKNOWN DANGERS RELEASE OF LIABILITY:

As a participant in a REER ride, I agree to abide by the rules of AERC and the aforementioned ride. I understand that riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities; that these areas have many natural and man-made hazards which ride management cannot anticipate, identify, modify or eliminate; that horses can be excitable, difficult to control, unpredictable; and that accidents can happen to anyone at anytime. I agree to take full responsibility for myself, and the animal I am riding. I will hold AERC, ride management, all ride personnel, REER, and all property owners whose land the ride passes, blameless for any accident, injury or loss that might occur due to my participation in the ride and free from all liability for such injury or loss.
